Having It All... And Making It Work Six Steps for Putting Both Your Career and Your Family First

BY D. QUINN MILLS WITH
SASHA K. MATTU AND KIRSTIN HORNBY

Working 24 x 7? Putting off important life goals until it's too late? Stop! Then read *Having it All...and Making it Work*: a six-step plan for staying on track with your career—and your personal life. Drawing on his Harvard Business School seminars that deal with the problems associated with trying to pursue both career goals and personal goals, D. Quinn Mills, along with Sasha Mattu and Kirstin Hornby, introduces a realistic, actionable process that leads to balance. Learn to give up what you don't want badly enough, manage workplace culture without slipping off the fast track, involve loved ones in creating balance, and keep your life in check, no matter what happens. You can't have everything. But when it comes to what matters most, you can have it all!
