Issue:

The lessons folder on the companion CD has been set as "Read Only". When the Lessons folder is copied locally, the folders and files will be not be writable.

Solution:

MAC

- 1) Highlight the Lessons folder on your hard drive. (not the cd)
- 2) Go to File Menu > Get Info
- 3) Set the "Ownership & Permissions" to Read and Write.
- 4) Click the "Details" disclosure triangle and hit "Apply to enclosed items..."

PC

- 1) Right-click on the Lessons folder on your hard drive. (not the cd)
- 2) Choose Properties
- 3) Uncheck the Read-Only checkbox.
- 4) When prompted, apply the change to all sub-folders.
