Warning and Disclaimer

Every effort has been made to make this book as complete and as accurate as possible, but no warranty or fitness is implied. The information provided is on an "as is" basis. The author and the publisher shall have neither liability nor responsibility to any person or entity with respect to any loss or damages arising from the information contained in this book or from the use of the CD or programs accompanying it.

When reviewing corrections, always check the print number of your book. Corrections are made to printed books with each subsequent printing. To determine the print number of your book, view the copyright page. The print number is the right-most number on the line below the "First Printing" line. For example, the following indicates that this is the 2nd printing of this title.

First Printing: September 2005

08 07 06 05 4 3 2

Pg	Error	Correction
30	The SQL Server 2005 database engine makes...	The SQL Server 2005 database engine makes...
114	Add NOTE: Express Manager is being replaced with a lightweight version of SQL Server Management Studio that will be available in the first Half of 2006.	
144	The msdb.dbo. sp_send_dbmail stored procedure...	The msdb.dbo.sp_send_dbmail stored procedure...
244	Add NOTE: Database mirroring feature will be generally available for production use in the first half of 2006.	

This errata sheet is intended to provide updated technical information. Spelling and grammar misprints are updated during the reprint process, but are not listed on this errata sheet.
