Page 219, Step 4

The first sentence currently reads:

Change the height of the text frame to 800 pixels in the Main toolbar.

This sentence should be replaced with the following text:

Select the layout grid in the nl_news.html page and set the height to 900 in

the Inspector palette. Then select the text frame again (move the pointer

over the text frame edges until you see the hand icon, then click to select

the frame and have the position and dimensions displayed in the Main toolbar) and set the height to 800 pixels in the Main toolbar.
