Warning and Disclaimer

Every effort has been made to make this book as complete and as accurate as possible, but no warranty or fitness is implied. The information provided is on an "as is" basis. The author and the publisher shall have neither liability nor responsibility to any person or entity with respect to any loss or damages arising from the information contained in this book or from the use of the CD or programs accompanying it.

When reviewing corrections, always check the print number of your book. Corrections are made to printed books with each subsequent printing. To determine the printing of your book, view the copyright page. The print number is right-most number on the line below the "First Printing" line. For example, the following indicates the 4th printing of a title.

First Printing: February 2003

06 05 04 03 4 3 2 1

Misprint	Correction
<p>Page 102</p> <p>Insert section head before paragraph that begins with "In the Data Source Options section, you can enter or select a Data Connection Resource..."</p> <p>The head is The Data Source Options Sections</p>
