When reviewing corrections, always check the print number of your book. Corrections are made to printed books with each subsequent printing. To determine the print number of your book, view the copyright page. The print number is the right-most number on the line below the "First Printing" line. For example, the following indicates that this is the 1<sup>st</sup> printing of this title and it was printed in May 2003.

*First Printing: May 2003*
