Page 26:

Fourth paragraph, last sentence from the top says:

“Here, the alert statement will be looped five times:”

```
var i=0;
while (i < 5) {
alert (x);
x++;
}
```

Should be:

```
var i=0;
while (i < 5) {
alert (i);
i++;
}
```

(substitute “x” with “I”)
