

ERRATA

**Page 11**, Add an 8th step after the final paragraph,  
“Choose Edit > Deselect All to deselect the rectangle.”

**Page 15**, third paragraph should read:

“With the three rectangles selected, in the Color panel click the Fill color well. Click the Fill Style drop-down menu, and select Linear. The fill of the rectangles will change to a gradient.”

**Page 17**, second paragraph, second sentence should read:

“...(Windows) or Spacebar Command to temporarily change the cursor to the Magnify tool.”

**Page 18**, toward the bottom of the page, “Fill Transform tool” should be “Gradient Transform Tool”.

**Page 18**, add this step to the bottom of the page: “Click the canvas to set the transformation and deselect the Rectangle Primitive.”

**Page 32**, add this step to the bottom of the page:

Choose View > Magnification > 100%.

**Page 36**, the first sentence in step 9 should say:

“Right-click (Windows) or C-click (Mac) the layer bouquet mask.”

“bouquet mask” also needs to be corrected in the next paragraph, (no underscore between the words).

**Page 45**, paragraph 4, the first sentence should read:

“In the actions layer, a-click (Windows) or o-click (Mac) one of the frames and drag down to the background layer, selecting the frame in all three layers.”

**Page 77**, middle of the page:

“Click Frame 31 and drag to Frame 50...”

Should read:

“a-click (Windows) or o-click (Mac) Frame 31 and drag to Frame 50...”
