

Figure 12.1
Look at outlets for File's Owner.

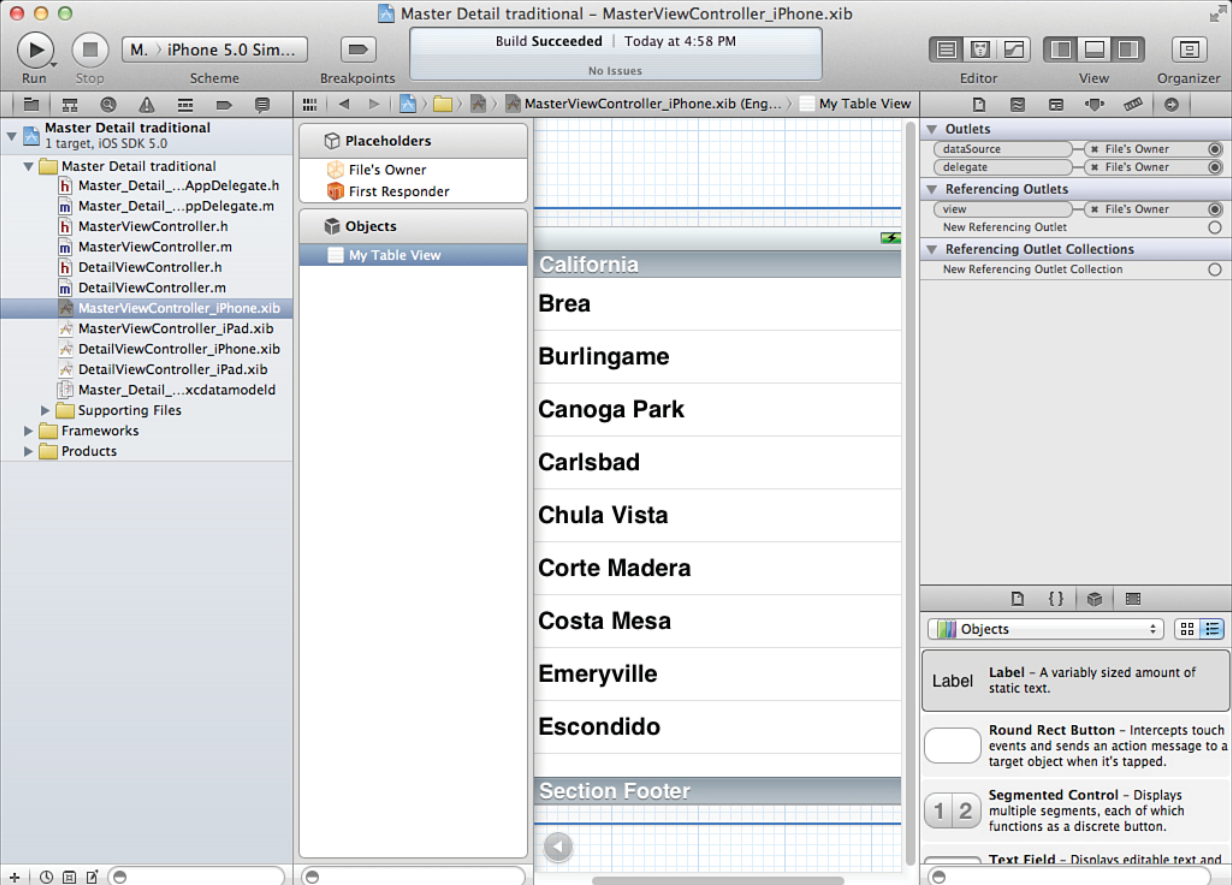

Figure 12.2
Look at connections from the other side.

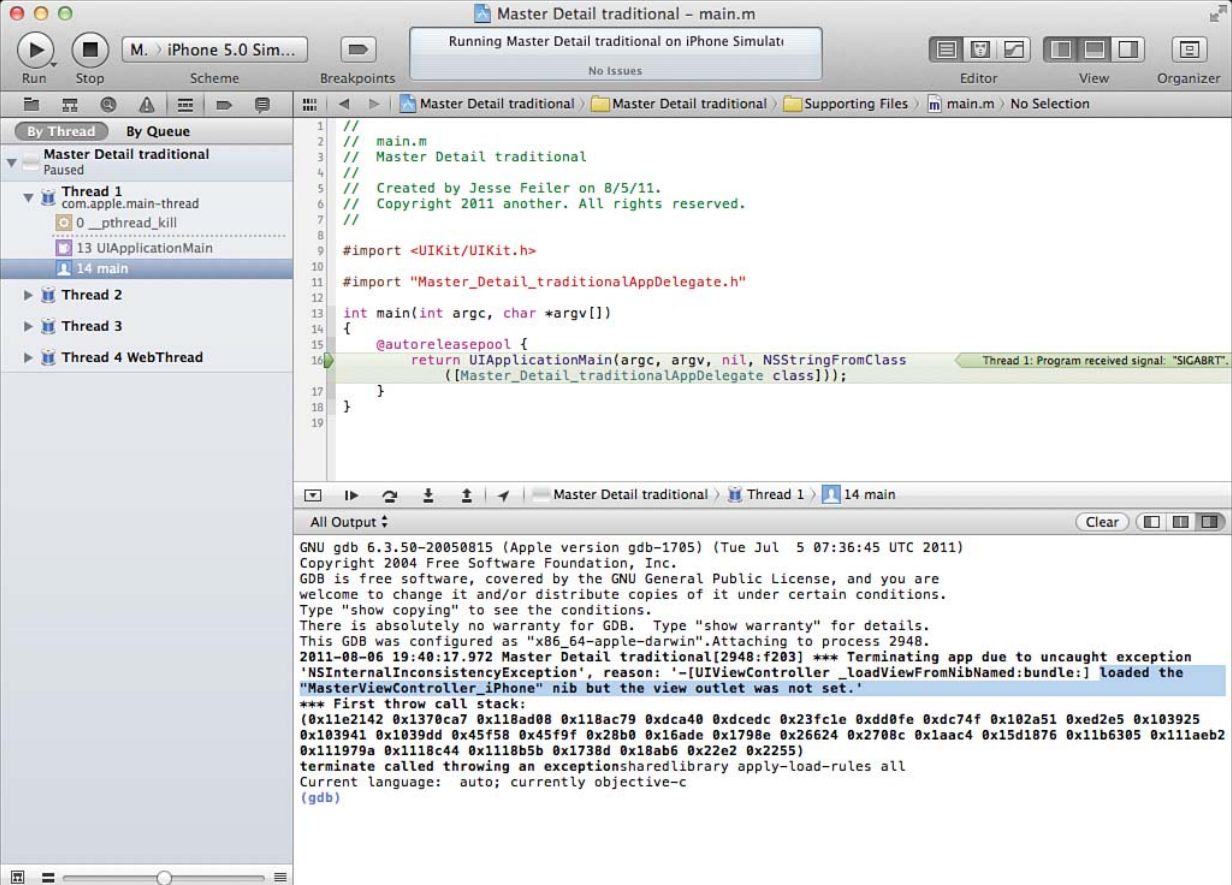

Figure 12.3
Without the connection, the app will crash.

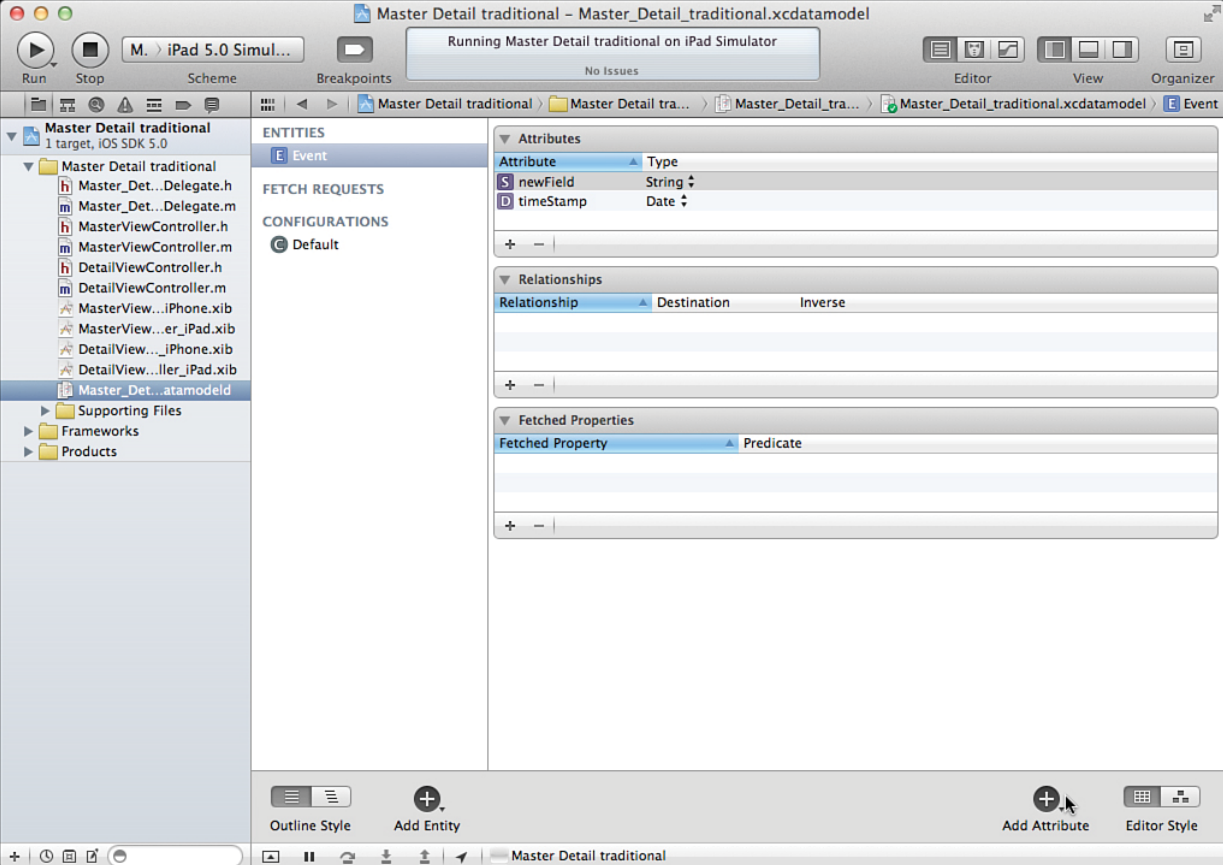

Figure 12.4
Add a new field to the data model.

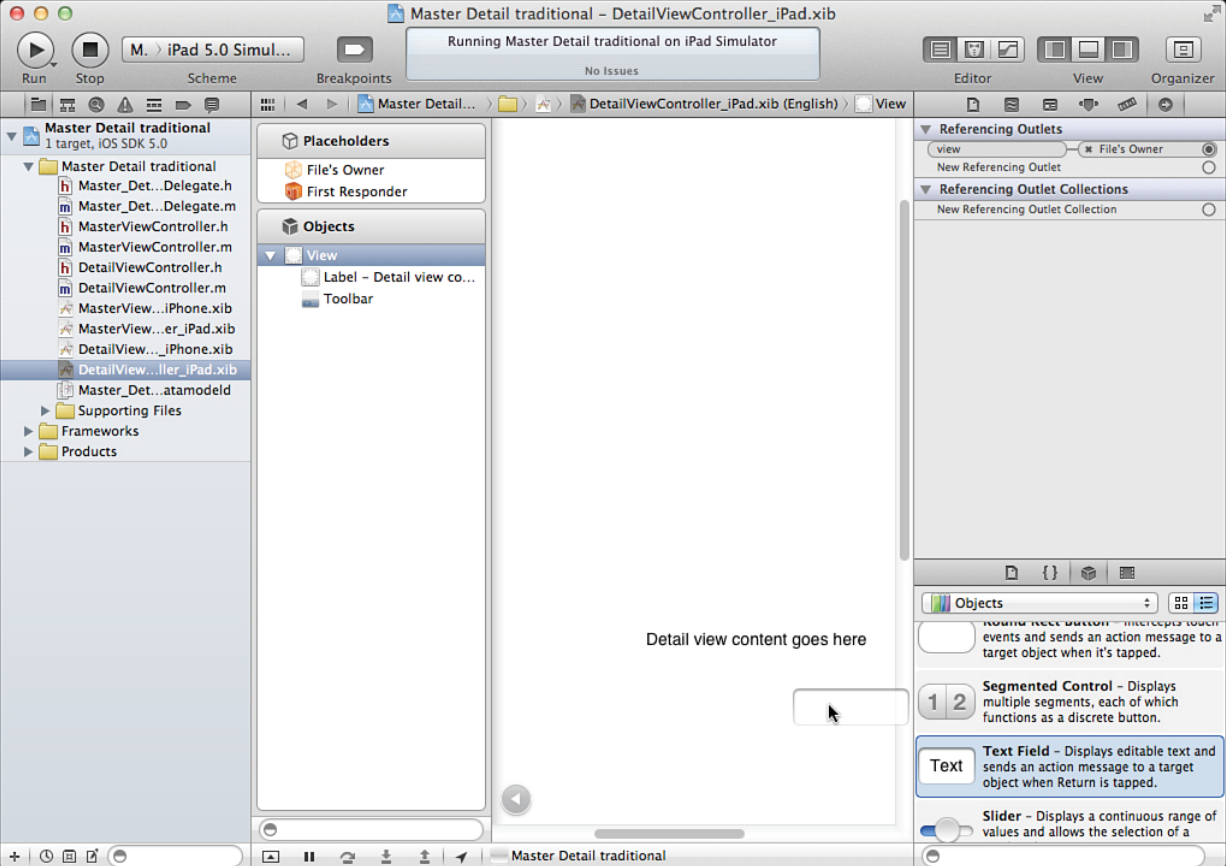

Figure 12.5
Add a new text field to the canvas.

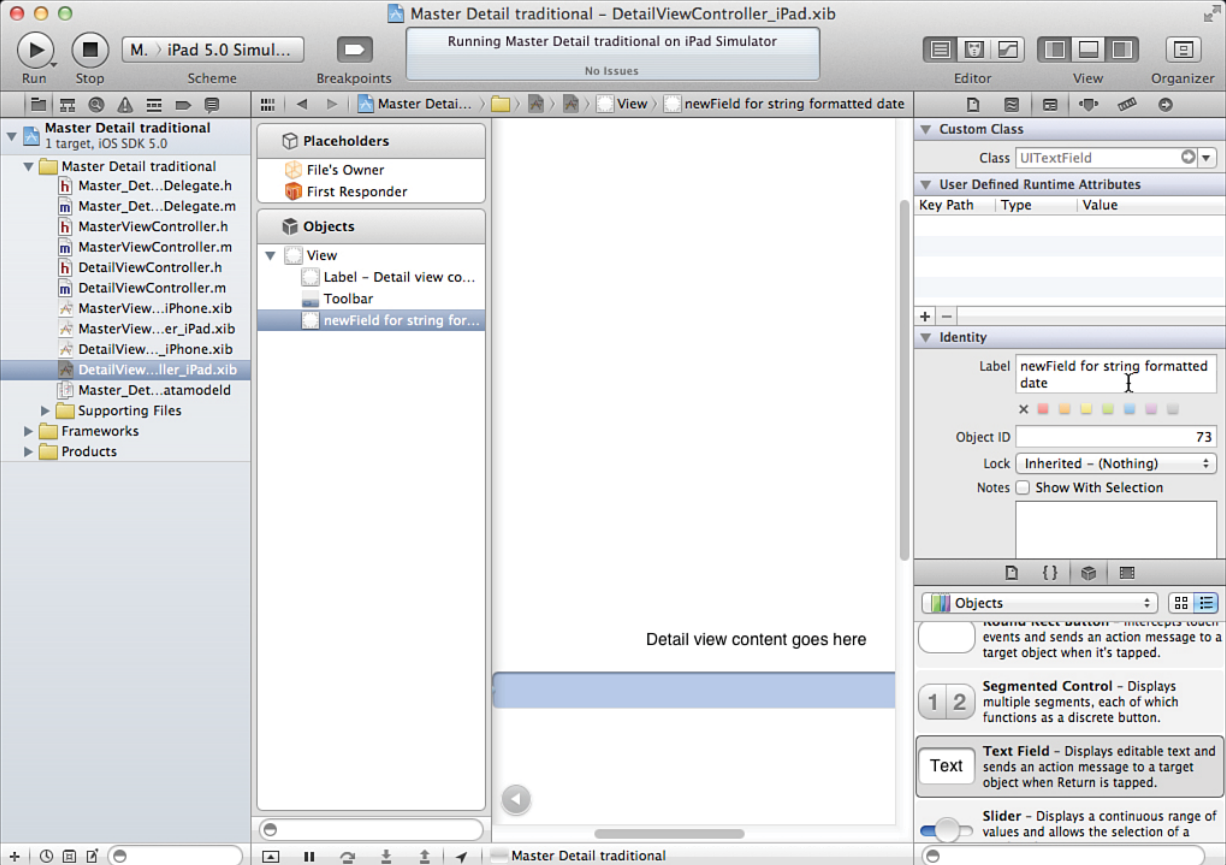

Figure 12.6
Create a meaningful label for the new field.

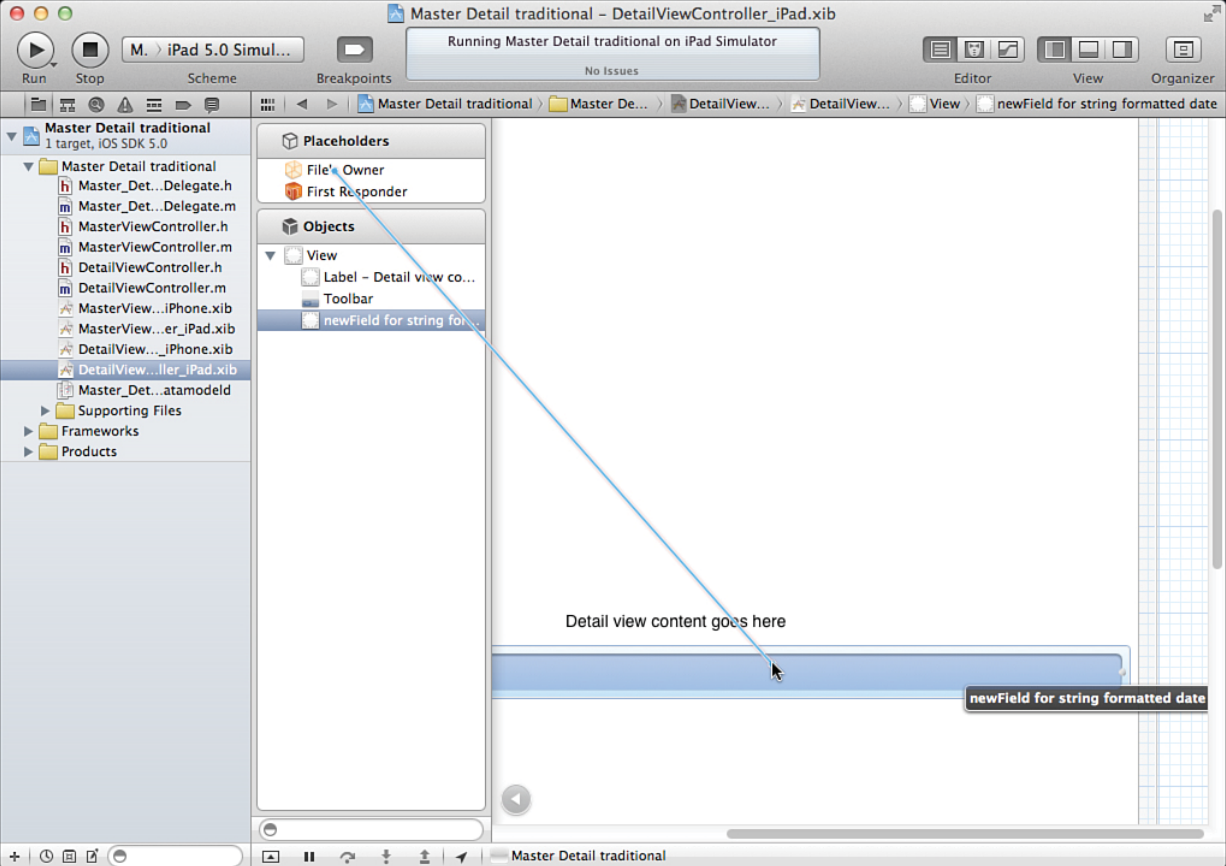

Figure 12.7
Control-drag from File's Owner to the new field.

Figure 12.8

Choose the outlet.
