Page	Location	Description	Date corrected
	Companion content, Chapter 7 code sample	In Chapter 7, the code sample that is located in the Debugger Start folder incorrect. The Debugger Start folder should contain only the code to start performing the practices in Chapter 7; however, the file it contains has all of the practices completed. The Debugger Start code sample is the same code as the Final code for Chapter 7. Please skip this code sample.
