

Announcing Online Video

Our lesson files range from 25-200 MB per each chapter download.

The following table is an approximation of the time it takes download a 100 MB file, depending on your connection speed. Divide the time in half for a 50 MB file and double the time for a 200 MB file.

Connection Type	Speed* (k= kbps) (M=Mbps)	Approximate Download Time*
Modem	14.4 k	16 hrs.
Modem	56 k	4 hrs.
ISDN	128 k	1.75 hrs.
Wireless	144 k	1.5 hrs
Wireless	516 k	30 min.
DSL	640 k	20 min.
T1	1.5 Mbps	18 seconds
T3/Cable	3-5 Mbps	> 10 seconds
Other stuff	Faster Still	Instantly

* Actual bandwidth speeds vary depending on network conditions.
